

## The 2020 Dunster Covid Challenge

This weekend should have been the start of Dunster Week. As we had to cancel, I am running a postal competition to ease the pain (a little bit at least) for those of us who will be missing our annual Dunster fix.

Basic details are as follows.

2 rounds, a Western and a "Fun" round with lucky dip scoring to be shot at any time between Saturday 12th and Sunday 21st June.

Rounds can be shot over any number of sessions as I understand quite a few clubs are using booking systems which may mean you cannot fit 8 dozen in during one session and may not be able to move targets during a session.

Please find attached the rules, I have tried to cover everything but if I have missed something or you are unsure of anything just get in touch.

I'm not asking for an entry form as such, but it would be helpful if you could let me know that you are going to take part along with details of which round(s) and bow style(s) you will be shooting. At least that way I will have some idea of the numbers

I'm asking everyone to email or WhatsApp their scoresheets to me; please email me at [tournaments@gwas.org.uk](mailto:tournaments@gwas.org.uk) for contact details if you need them.

Feel free to pass this on to anyone else you think might like to join in, this is definitely a case of "the more the merrier"!

I look forward to receiving your scores and in the meantime, shoot well but most of all, have fun
