

The 2020 Grand Western Counties Covid Challenges

In line with Government and Archery GB Guidelines it has been decided to cancel both the Junior and Senior GWAS Intercounty events this year.

Instead we will be running two virtual competitions which will be open to all members of The Region.

At the moment we are working on the details of exactly how this will work but here is an outline for now.

- **The competitions are open to all current members of GWAS**
- **Rounds shot will be the WA720 equivalent appropriate to your age, gender and bow style**
- **Rounds can be shot over any number of sessions throughout September 2020**
- **We will look to use lanseo to record scores and produce results**
- **The final makeup of county teams and therefore the counties winning The 2020 Grand Western Counties Covid Challenges will be decided once we have an idea of participation level.**
- **All recognised target bow styles can partake, if you do not shoot one of these you will be popped in the most appropriate category, i.e. Horsebow would be categorised as Barebow.**
- **Rounds must be shot at a registered range. Only archers who can shoot safely and do so in socially distanced settings and accordance with local health guidelines are permitted to participate.**
- **All members of the winning Junior and Senior County Teams will receive free entry into the 2021* GWAS Championships to include the Indoor, Outdoor, Field and Clout Events. A total prize fund of over £2000!!**

***If the event does not take place in 2021 the free entry will carry over to the following year.**
