

The 2020 Grand Western Counties Covid Challenges

Firstly, thanks to all of you who took part in both the junior and senior events, we hope you all enjoyed taking part and having something other than just the target to aim for!

Apologies for taking a while to get the results out but as we did not have a full team in many of the categories, we wanted to make sure we calculated the results in the fairest possible way. The full results are available on the GWAS website <https://ianseo.net/Details.php?told=6737> and here is a summary for you.

Congratulations Gloucestershire and Somerset!

As per details sent out prior to the competitions, all members of the winning Junior and Senior County Teams will receive free entry into the next GWAS Championships as and when they can be held, to include the Indoor, Outdoor, Field and Clout Events.

Although we did not have enough archers taking part for scores included in the competitions to mirror the actual intercounty events, free entries for the winning counties have been awarded up to the maximum in each category had we been able to use the full team.

GWAS Tournament Organisers will be made aware of who can enter each event free of charge and archers should add a note to their entry forms to this effect.
